### USE "CASCARETS" FOR LIVER AND BOWELS WHEN CONSTIPATED

WHEN BILIOUS, HEADACHY, SICK,  
FOR SOUR STOMACH, BAD  
BREATH, BAD COLDS.

Get a 10-cent box. Take a Cascaret to-night to cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, a bad cold, are bilious, nervous, upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

Remember, a Cascaret to-night will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

### RUB NEURALGIA PAIN AWAY, DON'T SUFFER

INSTANT RELIEF! RUB NERVE  
TORTURE, PAIN AND MIS-  
ERY RIGHT OUT WITH  
"ST. JACOBS OIL."

Conquers pain—never fails. Rub soothing, penetrating "St. Jacobs Oil" right on the ache or pain, and out comes the neuralgia misery.

Here's a joyful experiment! Try it! Get a small trial bottle from your druggist; pour a little in your hand and rub it gently on the sore, aching nerve, and before you realize it—in just a moment—all pain and neuralgia disappear. It's almost magical, but the joy is that the misery doesn't come back. No! Thereafter you are soothed and congestion is relieved and your neuralgia is overcome.

Stop suffering! It's needless—neuralgia and pain of all kinds, either in the face, head, limbs or any part of the body, is instantly banished. "St. Jacobs Oil" is perfectly harmless and doesn't burn or discolor the skin. In use for half a century.

Edward Meek and Samuel Wainwright of Huntington have secured a patent on a machine to number photographic prints, and they may establish a factory to manufacture the machine there. It is said they have received an offer from a large photo supply house for sale of the patent rights. This is under consideration.

As it is now, the only way amateurs can sort prints is by looking through the film to identify the picture. By use of the machine the prints are automatically numbered and readily sorted.

Nature is doing better work lately and is making fewer mistakes. You hardly ever hear of a Female Barrymore or a Cate Soprano any more.

What has become of the old-fashioned girl who wasn't ashamed to have freckles on her face, but who was ashamed to have paint on her face?

Married men and convicts can't understand why it is that men who are free do not appreciate their freedom.

Once in a while a man imagines he is in the Public Eye when he is merely in the Public Nose.

Just because her face is floured up until she looks like a marshmallow, don't imagine that she is a candy kid.

Why is it that men who are built like snakes are foolish enough to wear male corsets, and that fat men who need the things won't wear them?

Any married man can tell you that the best way to make your wife talk is to tell her to keep still.

It is the very things that a Mother likes about a young man that a Daughter does not like about him.

A little girl would like to wear her Sunday clothes every day in the week, but it is different with a little boy.

If things keep on the way they are going it won't be long until our National Capitol will be occupied by Congress-women and Statesladies and the figure of Liberty on the dome will be wearing an ultra-decolette creation in pink chiffon, and will have her face rouged each morning.
